Dear HOD of CS Department,

Date : 24/06/2024

**Symbiosis Institute of Technology,**

Pune.

Greetings!

**Subject: Request for Internship Opportunities for Symbiosis College Students**

I hope this message finds you well. I am writing to request internship opportunities for students from Symbiosis College who are eager to collaborate with Akshar Paaul Organization in our mission to address literacy and support underprivileged children.

### **About Akshar Paaul Organization**

Akshar Paaul was established in Pune, India in 2013 and later expanded to Nashik and Satara in 2014 with the aim of addressing literacy among marginalized sections of society. We provide education and support to often-forgotten children of pavement dwellers, slum dwellers, construction site families, and other underprivileged groups. Many of these children are not enrolled in school and have limited access to books and a place to study. Additionally, many children drop out of school to work or care for younger siblings. With neither support nor resources at home, these children suffer from very low learning levels. To fill this gap, we run Education Activity Centers in labor camps and community libraries in urban slums.

For more details, please visit our website at [www.aksharpaaul.org](http://www.aksharpaaul.org).

### **Our Impact**

To date, the organization has worked on 16 construction site classes in Pune, 3 in Nashik, and 1 in Satara. Some of these sites were operational for three years but had to be closed down during the Covid-19 pandemic. Despite these challenges, we have reached nearly 1800 children. Currently, we are running a library project in 11 locations covering 530 children and working at 3 construction sites in Pune and Nashik, reaching 138 children.

### Internship Collaboration with Symbiosis College

As discussed, students from Symbiosis College will be collaborating with us in various capacities, including online and offline interactions, digital media projects, and fieldwork. This partnership aims to enhance the educational experience of our children while providing valuable hands-on experience to the college students.

#### Below are the social tasks assigned to these children:

1. Attendance management and data reporting
2. Power BI Report Work

Below are the details of the students ready to work as Internship Volunteers:

Student Name & PRN		
Sr No	Student Name	PRN Number
1	Abhishek Rajput	22070122007
2	Malay Doshi	22070122059
3	Gauri Deoghare	22070122049
4	Armaan Jeswani	22070122029

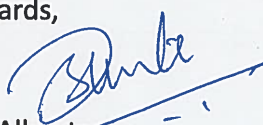

#### Request for Approval

We kindly request your approval for these students to work as internship volunteers with Akshar Paaul Organization. We believe this collaboration will be mutually beneficial, as it will provide our children with additional educational support and the interns with invaluable real-world experience.

Thank you to Symbiosis College's HOD and Professors for encouraging this young generation to contribute to society with their knowledge and skills.

We look forward to a positive response and a fruitful collaboration.

Best regards,

  
Nagesh Alkunte

Founder, President
